ABERCORN BUSINESS SALES
SUCCESSFULLY SELLING YOUR BUSINESS

CQC-Registered Domiciliary Care Business for Sale in Warwickshire.

Warwickshire

Asking Price: £60,000

Reference: DC09-ABS | Confidential Memorandum

The Business is Independently owned and part of a national homecare franchise network.

Asking Price: Offers in the region of £60,000

Annual Turnover: circa £78,000. (circa £6,500 per month)

Investment Highlights

- CQC Certified: Fully registered with the Care Quality Commission (2024), ready to commence operations immediately.
- Growing Market Demand: Rising need for domiciliary care services due to an ageing population and NHS pressures.
- Pre-Established Care Framework: Policies, procedures, and operational systems already set up to ensure compliance from day one.
- Experienced Management Team: Led by qualified nurses with extensive health and social care backgrounds.
- Flexible Service Offering: Personalised care services tailored to client preferences and needs.
- Scalable Opportunity: Ideal platform to grow through local authority contracts, private client acquisition, and community referrals.

Business Profile:

A CQC-registered home care business in Warwickshire is offered for sale through Abercorn Business Sales.

The company registration covers personal care for older and younger adults, including people with dementia, physical disabilities and difficulties with sight or hearing.

The business provides care visits, companionship, respite, specialist support and live-in care.

Carers are directly employed and trained internally, with care plans prepared for each person.

The business is independently owned and part of a national homecare franchise network. It may suit someone who wants to run a care business or expand an existing one.

Further details are available to suitable buyers upon execution of a confidentiality agreement and completion of buyer checks.

The opportunity.

· This home care business in Warwickshire is offered for sale through Abercorn Business Sales.

· Home care, also called domiciliary care, provides help to clients in their own homes. The care business services clients in Leamington Spa and nearby Warwickshire communities.

· The home care business is registered with the Care Quality Commission (CQC), the organisation that regulates care services in England. Its registration covers personal care for adults, including people with dementia, physical disabilities and difficulties with sight or hearing.

· The provider employs and trains its own carers and prepares care plans for each person. It also reports that its registered manager has healthcare management qualifications and experience in the NHS and residential care.

· The business is independently owned and operates within a national homecare franchise network.

Main highlights

· Registered with CQC to provide personal care for older and younger adults.

· Registered specialisms include dementia, physical disabilities and difficulties with sight or hearing.

· They offer clients short care visits, companionship, respite, specialist support and live-in care, with coverage in Leamington Spa and nearby Warwickshire communities.

· The carers are directly employed, trained and DBS-checked.

· The manager has an MBA in Global Healthcare Management and Leadership, plus NHS and residential care experience.

What the business offers:

The business advertises the following services.

Personal care: Help with everyday needs such as washing and dressing.

Home help and companionship: Household support, company and social contact.

Respite care. Temporary care arranged so the main carer can have a break.

Dementia and Alzheimer's support: Help for people living with these conditions.

Palliative and end-of-life care: Support focused on comfort for people with serious illness or approaching the end of life.

Live-in care: A carer lives in the person's home under an agreed care arrangement.

Staff and day-to-day work

The provider employs and trains carers directly and prepares care plans around each person's needs.

Reason for Sale

The business is being offered for sale as the owner is looking to relocate. This presents a unique opportunity for a buyer to acquire a well-run, established home care provider with strong profit margins and significant potential for growth.

Post-Sale Support

The current owner is willing to provide a month handover period to ensure a smooth transition. Additional transitional support can be negotiated if required.

Next Steps: Interested parties are invited to make offers for this business. To discuss this opportunity further, please contact us for a confidential discussion and to receive further details.
