### **Key selling points -**

As a well-established, reputable, online business it is easy to relocate as it is not reliant on the current owner.

Established for thirteen years, this online recruitment company offers exceptional growth potential with massive scope to grow the business further and build on the exceptional reputation of the business.

### **Business Profile:**

Online International recruitment agency covering the whole of Greece, Cyprus, Turkey, Europe, the UAE, Gulf and Asia, and since commencing professional recruitment services in 2010, the business has gone from strength to strength working with small business right through to world renowned companies.

### **Corporate recruiters**

Corporate recruiters often struggle to cater for such a niche market, which is why clients work with an overseas and foreign language careers specialist.

With years of experience in this niche market, the business has placed hundreds of talented candidates in overseas careers across the globe.

### **Specialist jobs:**

With a tried and tested online process, they fill a diverse range of specialist jobs with high quality candidates who have undergone a comprehensive screening process.

### **First class service.**

No matter how large or small a client's business, or what type of staff they require, they will always receive first class service.

The reason for this is that this business offers what most don't, a personal tailor-made service.

### **The right staff for the right role.**

So, when clients struggle to find the right staff or you simply don't have the time to search, they take the hard work away from this sometimes-impossible task of recruiting the right staff for the right role.

### **Online offer to candidates:**

Applications, follow ups, online interviews & placements, and aftercare.
